A lot of interest has been generated in this important topic and it looks as if we will have some outstanding participants outside of the Agency at the conference.

MEMORANDUM FOR: Deputy Director for Administration

FROM:

[Redacted]

Director, Center for the Study of Intelligence/OTE

SUBJECT: Symposium, U.S., Japan, and High Technology in the 21st Century

1. This invites your participation and that of your office directors and concerned analysts/officers in a 15 - 17 September conference on "Superpower and Superstate: The United States, Japan, and High Technology for the 21st Century." The conference will be held at the Xerox Management Training Site, Leesburg, Virginia.

2. We have arranged with Xerox sleeping accommodations and meals for fifty participants for the duration of the conference (with early check-in the evening of 14 September). Meals will be provided for those who wish to commute, and plan their attendance around particular agenda items. If need be, the contract can be expanded.

3. We are attaching for your information a statement of the conference's purpose, a partial list of those invited to attend and a draft agenda.

4. If you have any questions, please contact us on
